ZARMEEN GARDENS REAL ESTATE ERP · SOCIETY GUIDE

Society & maintenance — bills, collection and complaints

The society after possession: charge heads, monthly bills per occupied plot with arrears, bulk collection, defaulters, complaints that become jobs, and planned maintenance.

1 · Charge heads
Fixed, per marla, by size

2 · Monthly bills
Day 1, due in 15 days

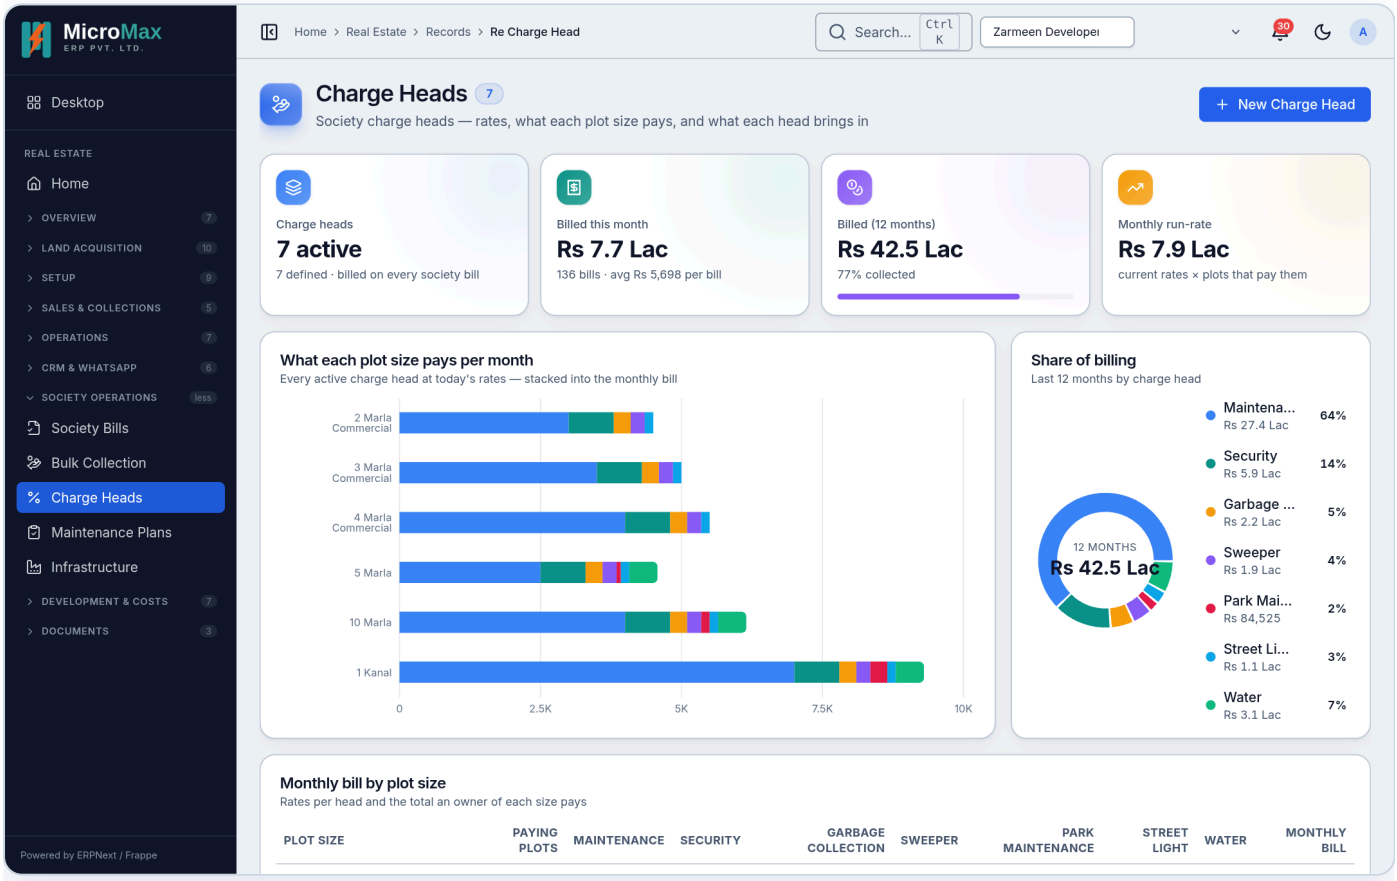

3 · Collection
Bulk, receipts

4 · Complaints
Jobs, technician, done

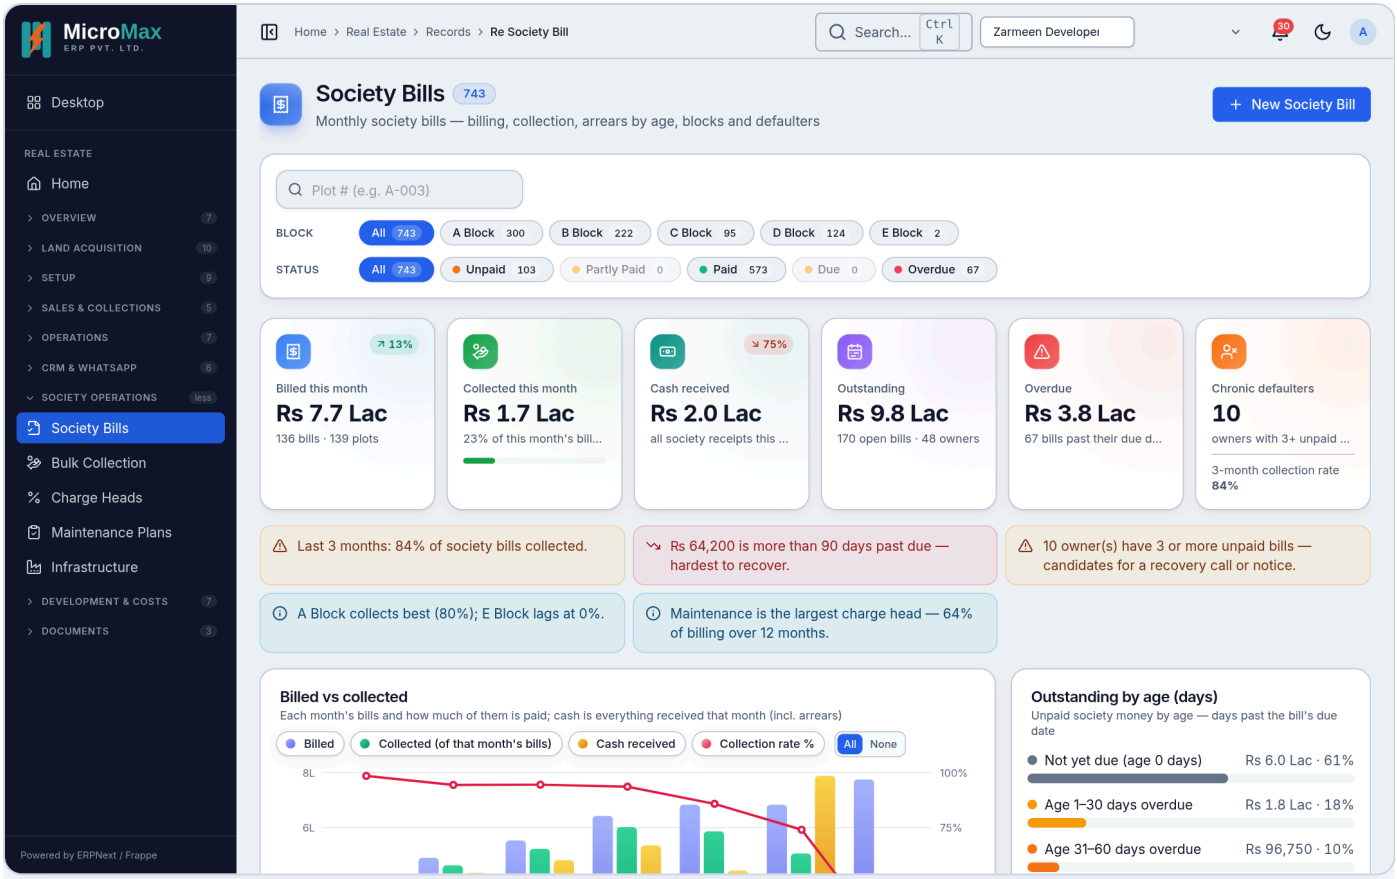

Who: Society Manager, Accounts, Recovery Officer, technicians.

1 Charge heads and monthly bills

1. **Charge Heads**: fixed, per marla or by plot size, for all plots or residential / commercial only.
2. Bills are made on day 1 for every occupied plot, due in 15 days, with unpaid earlier bills carried as arrears. Plots given to land owners on waived terms are skipped.

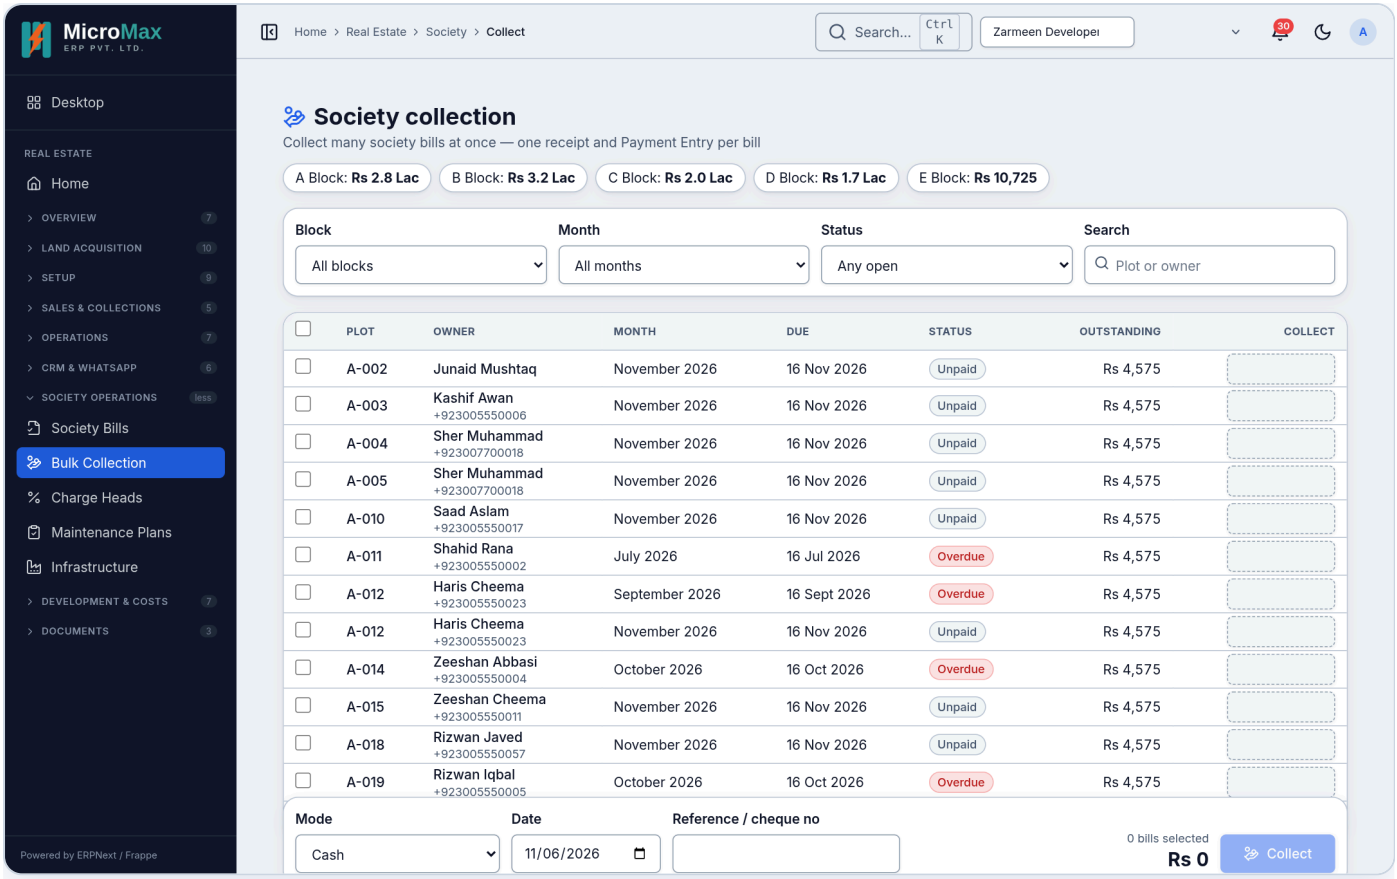

Charge heads and what each plot size pays.

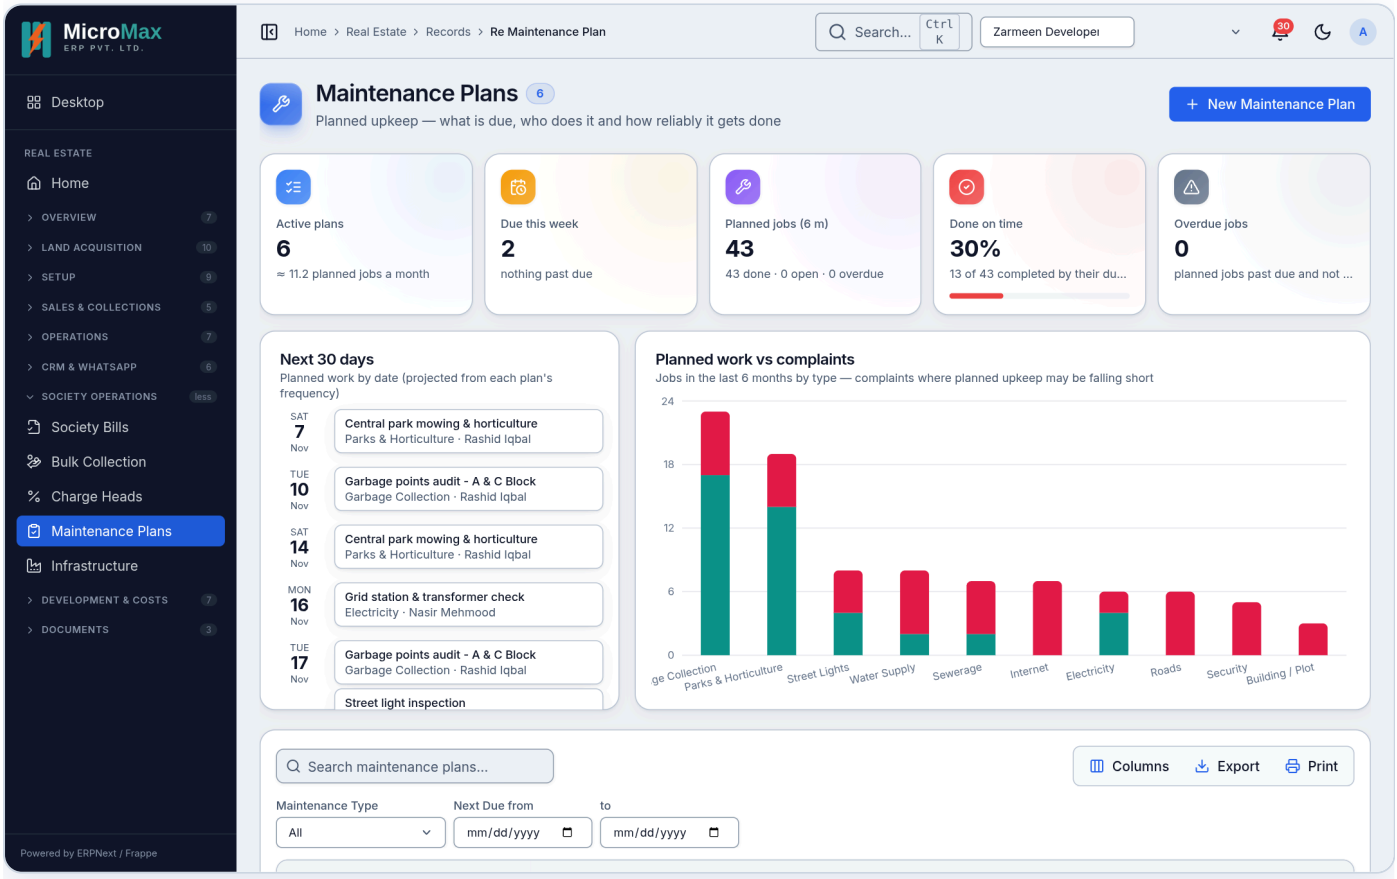

Society bills with insights and ageing.

2 Collection, complaints and maintenance

1. **Bulk Collection**: pick owners or a block and record many payments at once.
2. Complaints from the portal, WhatsApp or staff become tasks with priority and assignee; the owner is told when it is done.
3. **Maintenance Plans** create tasks ahead of their due date; **Infrastructure** shows each feature's build-out and upkeep.

Bulk collection.

Maintenance plans and their schedule.
